EDUCATION

BCA (Bachelor of Computer Applications) - Completed in 2025

Veer Narmad South Gujarat University

High School - Completed in 2022

Tara Vidhya Mandir School, Surat

Percentage: 77%

PROJECTS

Blog Web App : A blog management system built with the MERN stack, featuring user authentication and full CRUD functionality. Users can register, log in, and securely manage their own blog posts using protected routes.

🔗 Live Demo : <https://blogapplatest.netlify.app>

E-commerce Web App : A full-stack MERN e-commerce platform with user authentication, role-based access for buyers and sellers, and a dedicated admin panel. Includes separate dashboards for sellers to manage products. Integrated with Stripe for secure online payments.

🔗 Live Demo : <https://e-commerce-project-frontend-bay.vercel.app>

Instagram Clone: A full-stack social media application replicating core Instagram features. Built with the MERN stack and integrated with Socket.IO for real-time messaging. Includes user authentication, post creation with image uploads, likes, comments, following/unfollowing, and user profiles.
